PIPP-7: Can we propose modifications to the PIPP Supplier Letter of Credit? Additionally, for a Bidder or Bidder's Guarantor that is granted an Independent Credit Threshold and Credit Limit under the PIPP Agreement, and that submits the Winning Bid in the PIPP RFP, will said Bidder's financial guarantees (submitted as part of the Registration Materials) be cancelled or returned following the RFP?

A: The Form of PIPP Supplier Letter of Credit, due with a Bidder's Registration Materials, must be in the form of Attachment E to the PIPP Agreement. There is not a process for Bidders to propose modifications to the standard form of the Form of PIPP Supplier Letter of Credit.

Section III.5 of the PIPP RFP Rules describes the post-bid process under the PIPP RFP. Should a bidder submit the Winning Bid in the PIPP RFP, AEP Ohio will communicate directly with the Winning Bidder for execution of the Confirmation (Attachment A to the PIPP

Agreement) and, as applicable, for posting or replacement of financial guarantees under the terms of the PIPP Agreement. Article 5 of the Master PIPP Agreement describes the credit requirements of the PIPP Supplier and the Guarantor as applicable. Specifically, Article 5 describes the circumstances under which the PIPP Supplier is granted an Independent Credit Threshold to satisfy the Independent Credit Requirement as well as the circumstances under which the PIPP Supplier is granted a Credit Limit to satisfy the Total Exposure Amount. Please see Article 5 of the Master PIPP Agreement. For the Bidder with the Winning Bid, it is possible that based on AEP Ohio's determination of creditworthiness the Bidder, or its Guarantor, is not required to post Performance Security, in which case AEP Ohio will return the financial guarantees (either return the cash or cancel the letter of credit) posted with the Bidder Registration Materials.
